

Home is Where the Health is: Making the Right Move After a Loss

March 16, 2026
9:30 am - 11:00 am

Virtual

Your future deserves careful planning. After the loss of a spouse or partner, pause, reflect, and gather support before making major housing decisions. Now is the time to consider whether your current home fits your life.

Targeted audience: Individuals aged 50+ who are planning for their future, as well as caregivers and loved ones who support them. Providers are also welcome.

Attend this webinar to explore:

- **Emotional factors:** How does the home make you feel now?
- **Physical factors:** Can you comfortably and safely manage daily tasks in the home?
- **Legal factors:** Are there legal matters affecting home ownership or inheritance?
- **Financial factors:** Can you afford your home, and does it fit in your long-term budget? Are you able to use your home equity as a resource?

Registration by March 11:
